Criminal Action No.
11-00302-03-CR-W-DW

REPORT AND RECOMMENDATION

On June 26, 2012, defendant entered a guilty plea. On September 4, 2012, defendant moved for judicial determination of mental competency. Defendant was found not competent on January 16, 2013, and was committed for treatment. On August 8, 2013, a psychiatric report was filed and a competency hearing was held on August 15, 2013. Defendant was present, represented by Kenton Hall. The government was represented by Assistant United States Attorney Leena Ramana. The parties stipulated to the contents and findings of the report of Christine Anthony, Ph.D., Forensic Psychologist, dated July 5, 2013, as the only evidence of whether the defendant is competent to proceed to sentencing (Tr. at 2-3).¹

Based upon the uncontroverted evidence stipulated to by the parties in this case, I find that the defendant is competent to proceed to sentencing. Therefore, it is

RECOMMENDED that the court, after making an independent review of the record and applicable law, enter an order finding defendant competent to proceed to sentencing.

¹“Tr”. refers to the transcript of the competency hearing.

The parties waived the 14-day objection period (Tr. at 3); therefore, it is
ORDERED that any objections to the Report and Recommendation shall be filed
by August 21, 2013.
